

Message from the Mayor

My fellow Staffordians,

As summer winds down and we welcome the crisp, colorful days of fall, I wanted to take a moment to share my excitement and gratitude for this season. I would also like to take a moment to wish the staff and students of the Stafford Municipal School District all the best as they begin the new school year.

As we approach this election season, we must remember the importance of treating one another with respect and kindness. While elections can often bring differing opinions and passionate debates, we must maintain our commitment to civility and unity as a community. Voting is not just a right but a powerful way to make our voices heard and influence the decisions that affect our daily lives. I urge every eligible resident to take the time to research the candidates and issues on the ballot.

The City of Stafford will be celebrating National Hispanic Heritage Month with a two-day event on Friday, September 20th, and Saturday, September 21st. September 20th will be at the Stafford Centre from 6pm - 11pm and will feature music and food trucks. September 21st will be at the Plaza on the SMSD campus from 10am - 4pm and will feature a wonderful lineup of music, dancing, arts & crafts, and family-friendly games.

Wishing you a warm and wonderful fall!

WE ARE STAFFORD STRONG

Mayor Ken Mathew
