

Message from the Mayor

My fellow Staffordians,

As we enter the holiday season, I want to tell every Stafford resident how much you mean to the city. I hope you all have a wonderful holiday season, let us enjoy Christmas, Hannukah and Kwanzaa and come together to celebrate.

I would like to congratulate our very own Jose Magana for being named Stafford Fire Chief. He has done so much for this city, and I know that he is doing everything he can to keep all our residents safe and continue to improve our great fire department.

We at the city completed our budget for the Fiscal Year of 2025-2026 at the end of September. With the help of our CFO, department heads and dedicated employees I am confident we can continue serving residents and our business community at the highest levels as we preserve our tradition of no property tax.

There are many events coming up in this holiday season. On Dec. 13 from 10 a.m. to 2 p.m. the city is hosting Santa's Convoy, led by our fire department. Our residents look forward to this every year, and we are so excited to see everyone in the neighborhoods.

The city, in partnership with the Houston Humane Society, will also host a Holiday Pet Pantry on Dec. 20 from 9 to 11 a.m. at our Code Compliance building. This is a wonderful event for those in need of pet food or who need to

get their pets vaccinated. Our Code Compliance team works hard to put this together every year and I am so thankful for them.

Please stay informed by contacting us, visiting our website, attending meetings or reaching out with any thoughts or questions. Your input and involvement is one of the most important parts of our city.

Wishing you a Happy Holidays and a very Merry Christmas!

WE ARE STAFFORD STRONG

Mayor Ken Mathew

Stafford Economic Development Corporation News

Hello, Stafford residents,

The Stafford Economic Development Corporation is working to improve our city by soliciting businesses that will improve our quality of life and bring sales tax to the city.

Our citizens have been discussing the need for a full-service grocery store for our city for years. We have many international grocery stores along with our Walmart and Target grocery store options. The desire is for a H-E-B or Kroger full-service option.

City Council and EDC have heard your requests for many years and have continuously reached out to these types of site selectors to encourage investments in our city. The City of Stafford's no property tax policy has yet to be successful in attracting them.

We will continue to reach out to the site selectors, but please continue supporting our existing stores.

The holidays are here, and our local merchants would appreciate your patronage if you can eat and shop locally. Please support them wherever you can.

Enjoy the holidays with your friends and family by gathering and reaching out to your loved ones. Time is our most valuable asset that we fail to keep track of.

It's a finite amount so use it wisely.

Happy Holidays!

Randy Krahn
President, SEDC

SMSD on Winter Break

The Stafford Municipal School District will be on break from Dec. 22 through Jan. 5. This break is a time to recharge, reflect, and enjoy the company of loved ones. We hope this season brings you warmth, joy, and plenty of memorable moments. Whether you're relaxing at home, traveling, or spending time with family and friends, we wish you a peaceful and refreshing break.

We also want to remind everyone to be extra cautious on the roads. With children out of school and spending more time at home or with family, there will be increased foot traffic in neighborhoods, parks, and public spaces. Please drive with extra care and attention, especially in residential areas, and watch out for kids walking, biking, or playing. Let's work together to keep our community safe during this joyful season.

Merry Christmas

From all of us here at the City of Stafford, we wish you a Merry Christmas, Happy Holidays and a Happy New Year.
